JUN-2023

APRIL - JUNE

To celebrate the Easter holiday, CEMCU hosted a kids Easter event. Kids were invited to participate in an Easter themed cookie decorating activity in which they showcased their incredible artistic talent. Teenagers also participated in an arts and crafts competition where the objective was to hand craft an Easter themed bonnet.

Kids Easter Event

In light of World Health Day, CEMCU organized a member's health awareness day. Free blood sugar and pressure testing was generously facilitated by our director, Dr. David who volunteered along with one of his colleague.

CEMCU collaborated with friends from Value Optical to provide free vision screenings to all members.

ONLINE UTILITY BILL PAYMENT

FEATURE NOW LIVE ●

CEMCU launched its new online banking feature, which allows members to pay their utility bills online from their special savings accounts. Enjoy the convenience of paying your T& Tec, WASA and TSTT bills anywhere, anytime!

The launch of this new feature aligns with the initiative to increase the use of technology in delivering value to our members and catering to our younger members who are more likely to be digital natives.

68th Annual General Meeting

The 68th Annual General Meeting was held at the Harry Garibsingh Auditorium on May 4th, 2023.

Members who were unable to attend physically were able to login on the virtual meeting platform Zoom.
